

REMARKS

Upon entry of the instant amendment, claims 1-48 are canceled and new claims 49-78 are added. Support for the new claims can be found throughout the application as filed. See, for example, at page 4, lines 11-21; pages 7-9; pages 12-14; Example 12; and original claim 3. Accordingly, no new matter has been added by the introduction of new claims 49-78.

The introduction of new claims 49-78 (and the cancellation of claims 1-48) was made in order for the claims to be directed to another embodiment of the invention and not for reasons pertaining to patentability. Applicant reserves the right to pursue the subject matter of any claim (whether original, amended or canceled) in continuing applications.

In view of the above amendment, applicant believes the pending application is in condition for allowance.
